☑ Go to eLicense

Log in to your
eLicense account and
select **Services**

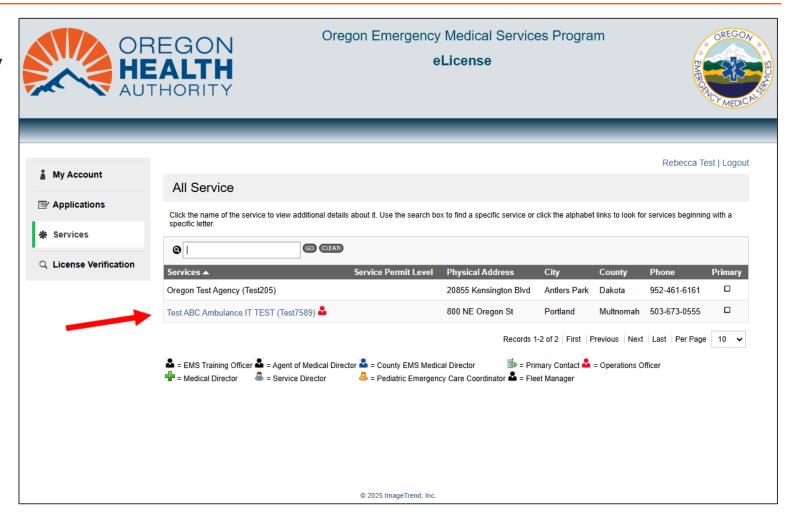

You will see a list of the services you are affiliated with and any associated roles that have been assigned to you, such as *Operations Officer.*

A provider can be affiliated with multiple services but will only have administrative rights if they are the *Operations Officer*.

Select the service you want to pay provider licensure fees for by clicking on the service name.

If the service name is not in blue, you do not have administrative rights to that service. To be assigned an administrative role, please contact OHA-EMS to be assigned the proper admin rights.

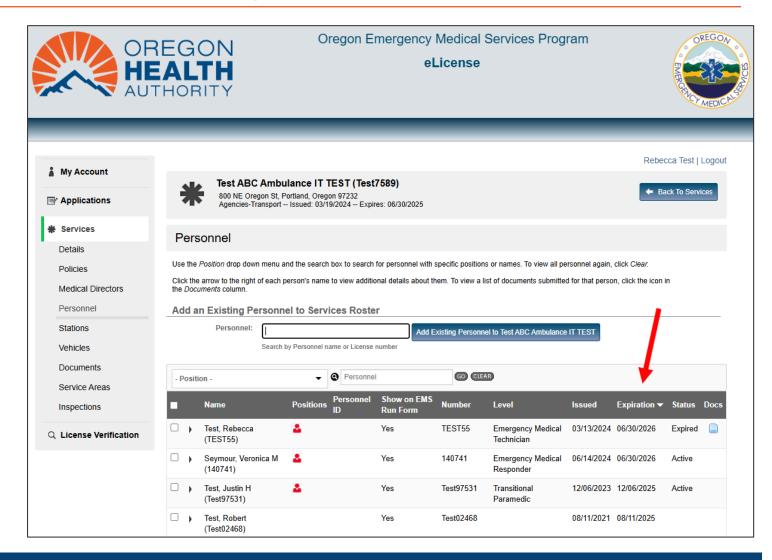

To see a roster of your service's personnel, select personnel as shown here.

On this page, you will see a roster of your service's personnel and information relating to their EMS provider license (expiration dates, license number and level).

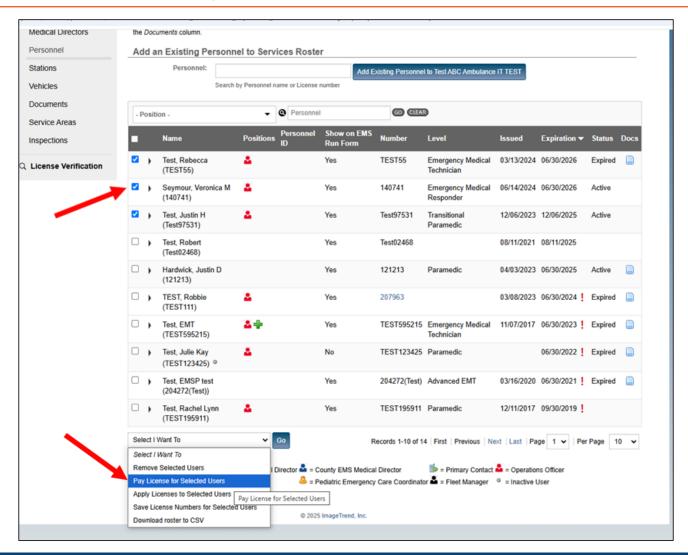

The expiration date filtering option will help you to identify the individuals who have renewed, and those still needing to renew.

To pay for personnel from your roster, you can select and pay for an individual licensee, or you can select multiple personnel at once.

If your provider has not yet completed, or already paid for their renewal application, they will **not** show up in this section.

Use the dropdown menu and select "Pay License for Selected Users" and click "Go."

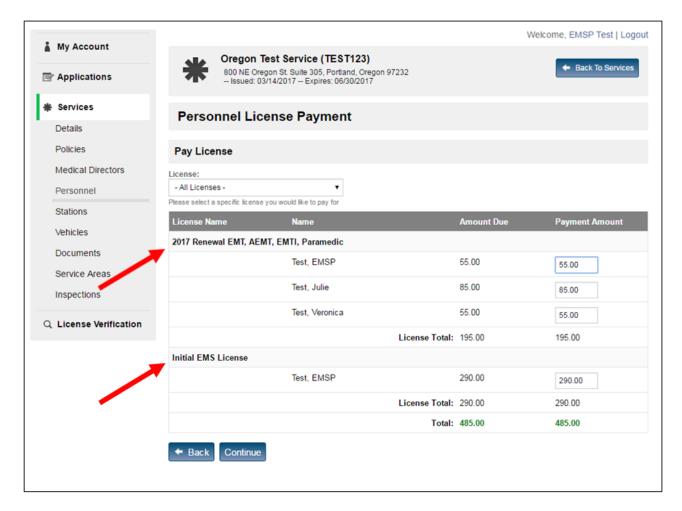

This page shows ALL applications selected for payment, which could include renewal and initial applications.

Providers will be separated by application type (renewal versus initial).

This example shows provider *Test, EMSP* who has a balance for their renewal application (\$55.00) and a balance for an initial EMS license (\$290.00).

Test, EMSP has an EMT license which they are renewing and an initial paramedic application.

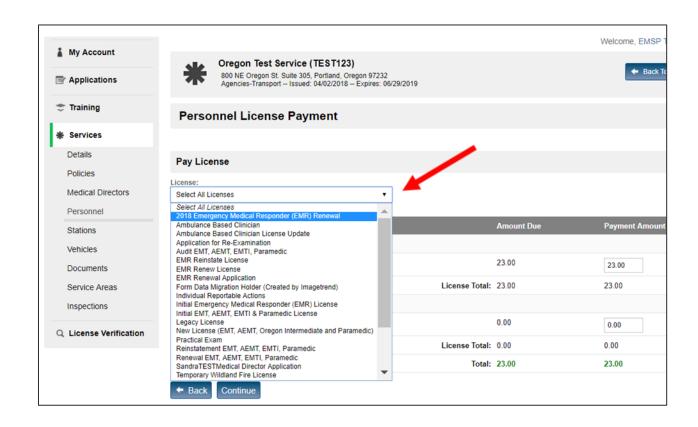

Use the dropdown menu to select the group of renewal applications you intend to pay for.

Depending on your service, you may need to make several payments, based on license level.

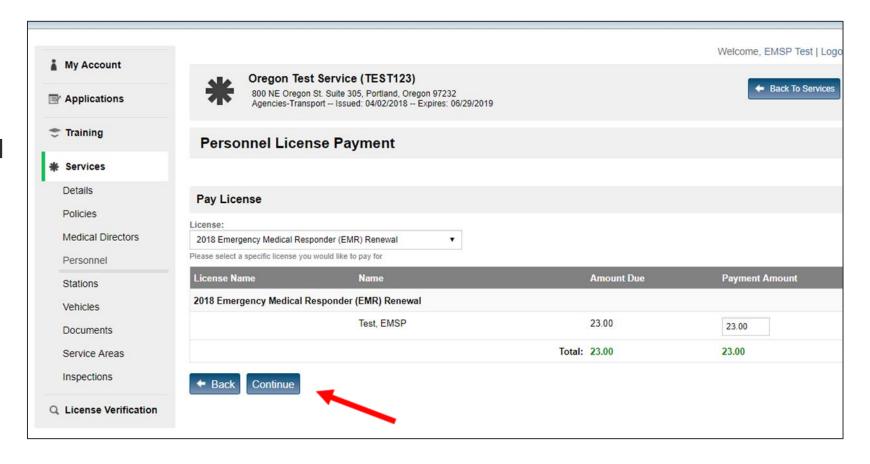

There are **4** license categories to pick from:

- EMT Renewal
- AEMT Renewal
- EMT-Intermediate Renewal
- Paramedic Renewal

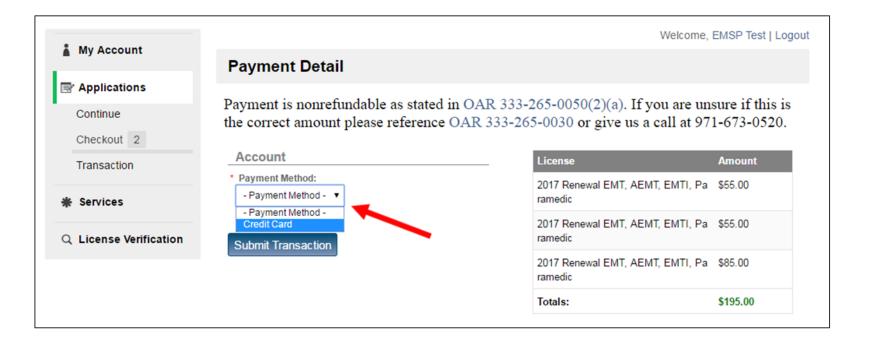

When you have the correct providers and license level selected, it will be displayed here.

Click *Continue* to the payment detail screen.

Select *Credit Card* from the Payment Method dropdown, then *Submit Transaction*.

You will be redirected to the payment portal.

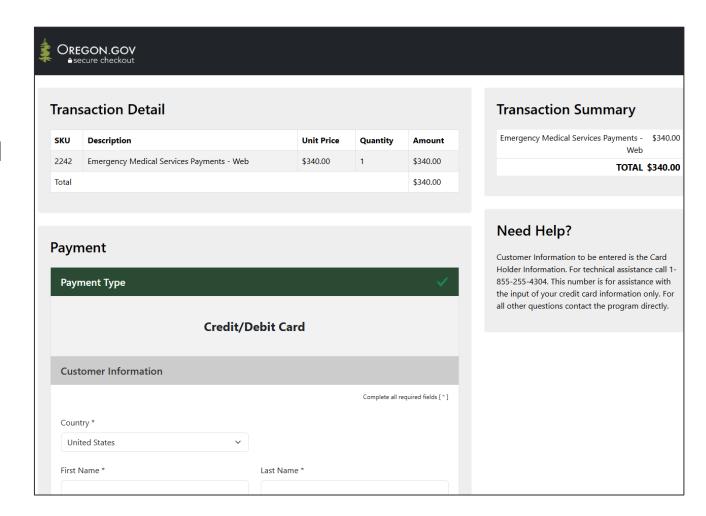

Enter the credit card information and submit payment.

You will need to make payment for each level of provider renewing.

Ensure applications are submitted and no longer visible from your personnel roster.

It can take OHA EMS several business days to process submitted applications, based on when the application is submitted.

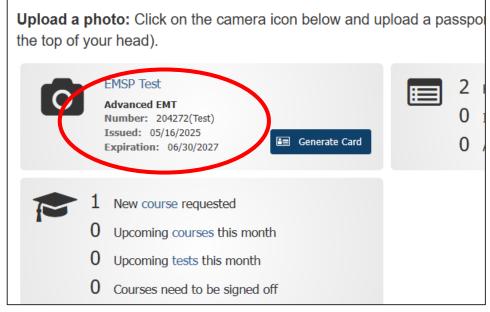

Each Oregon ambulance service and provider must ensure the licensee's renewal application has been processed by July 1st, or they **cannot** operate as an EMS provider.

Log onto your service roster or have the licensee verify via their account, that their application has been processed and reflects a new expiration date.

Working or volunteering without a current Oregon EMS license is a violation of Oregon Administrative Rule. Discipline for practicing without a license may result in a civil penalty of up to \$5,000.00.
