Emergency Medical Care in Oregon

The Emergency Medical Services and Trauma Systems Program develops and regulates systems for quality emergency medical care in Oregon. This ensures that EMS Providers are fully trained, that emergency medical vehicles are properly equipped, and emergency medical systems are functioning efficiently and effectively.

EMS Modernization ([House Bill 4081 - 2024](#))

The Emergency Medical Services and Trauma Systems Program is currently working on the implementation of HB 4081 that will go into effect January 1, 2025. An [EMS Modernization webpage](#) is available with an overview of the bill, program tasks, timeline and recent public presentations. The website will be another resource for updates.
