

OEBB Notice of Special Enrollment Rights for Health Plan Coverage

As you know, if you have declined enrollment in one of OEBB's health plans for you or your dependents (including your spouse) because of other health insurance coverage, you or your dependents may be able to enroll in some coverages under these plans without waiting for the next open enrollment period, provided that you request enrollment within 31 days* after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and/or your eligible dependents, provided that you request enrollment within 31 days.*

OEBB will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you and/or your dependents are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIP.

For these enrollment opportunities, you will have 60 days from the date of the Medicaid/CHIP eligibility change to request enrollment in the OEBB group health plan. Note that this 60-day extension doesn't apply to enrollment opportunities other than due to the Medicaid/CHIP eligibility change.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan option.

*OEBB may allow late enrollment under certain circumstances as referenced in [OAR 111-040-0030](#).
